## Prevent West Nile Virus

**Neglected swimming pool** 

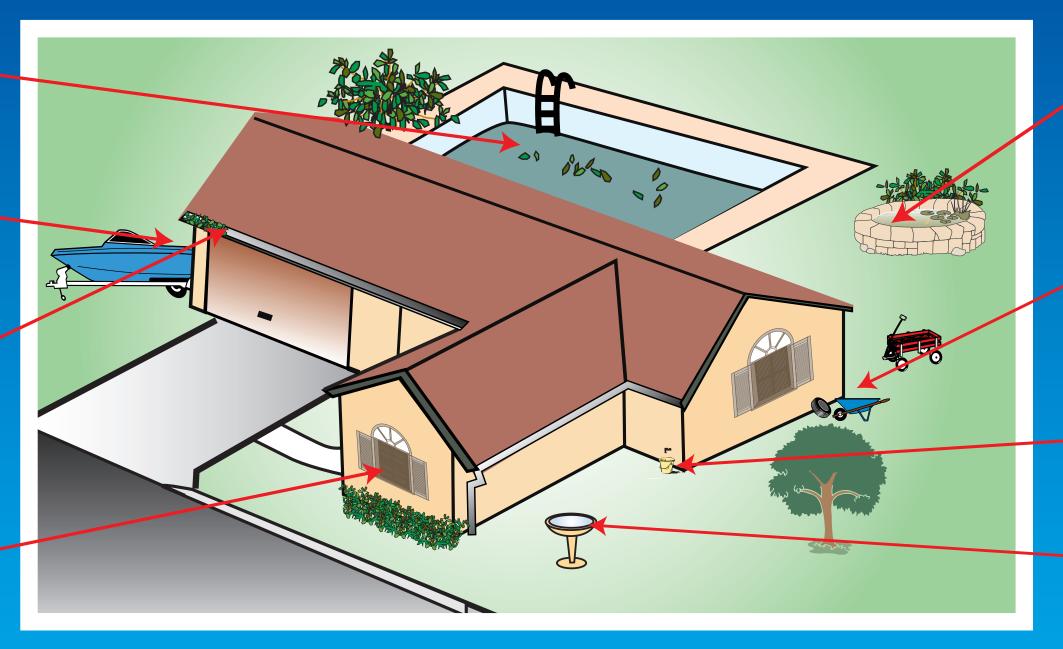

Open boat

**Clogged gutters** 

Eliminate common backyard mosquito breeding sources.

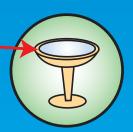

Poorly maintained pond (Stock with mosquito larvae-eating fish)

Items that hold water for more than a few days

Leaky watering equipment

Birdbath (Change water twice a week)

## Protect yourself from mosquito bites:

- Avoid outdoor activity during peak mosquito times dusk to dawn
- Wear long, loose, light-colored clothing
- Use insect repellant when outdoors after sunset
